

DEBBIE PALMER

Not being a St. Louis native, Debbie was unaware of the vast volleyball opportunities that existed in the area until about 10 years ago. She has since gone on to play in the adult tournaments for that span as well as having coached 3rd and 4th graders for 4 years through CYC at Seven Holy Founders. Soon after her coaching days ended, she took up the mantle of Scorekeeper Chair and has been happily performing those duties for the past 4 years. Despite a recent knee injury resulting in surgery, she continues to play in leagues and tournaments and is often heard saying, "I'll keep playing until they have to carry me off the court."
